Digital Core
Programming

| Question | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream | 3.08 |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream | 168.0 |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671: | 5.31 |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673? | Yes |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes |

| Age of Target Child Audience | 13 years to 16 years |
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The focus of the program is young people, always letting them tell their stories in their own words. The large, diverse news anchor team is unique in television and has a great appeal to kids who identify with and emulate them. This program will serve the audience in a way that will make a difference in its viewers' lives. It will insert the clear voice of the kid into the adult-dominated media and provide a unique perspective to the news that is not currently available on network television. Emphasis is on diversity and experience to develop a cast of engaging and intelligent African-American, Hispanic, Asian, and Caucasian male and female child actors who interact with each other and connect to the viewers. Main Digital Channel. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This live-action series based on the comic strip by Jok Church stars performance artist Paul Zaloom as the slightly nutty -- but never boring -- scientist who leads a journey of discovery while performing experiments that demonstrate how the world works. Topics are addressed with cutting-edge humor and state-of-the-art visuals that make learning fun. Joining Beakman in his quest are Josie (Alanna Ubach), his bright young apprentice, and an oversize, sarcastic rat named Lester (Mark Ritts). Multicast Channel. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Health & Happiness with Mayo Clinic is a live-action, half-hour television program designed to meet the educational and informational needs of children aged 13 to 16. Health & Happiness with Mayo Clinic is a series about how simple lifestyle changes can make a huge difference in our health, well-being and even attitude. Host Joy Bauer, leading nutrition expert and influencer, dishes out helpful strategies on forming healthy eating habits, and co-host Vivien Williams brings science and innovation to the table on living a healthier and happier life. With the help of medical experts from Mayo Clinic, each week our hosts will educate viewers on a variety of topics that will not only teach teens and their families how to make better choices when it comes to healthy living, but may even inspire new daily activities that promote better wellness. As teen viewers reach an age when they begin to make more of their own lifestyle choices, this series will help them form healthy habits that are critical to inspiring a lifelong interest in living well. | State | NC |
| Zip | 27106 |
| Telephone Number | (336) 703-6313 |
| Email Address | leldridge@hearst.com |

| | |
|--|--|
| <p>Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.</p> | <p>Since 1989, The More You Know has brought the nation's most important social issues to the forefront, and it remains a trusted voice for sharing knowledge to improve lives and inspire action. The More You Know's comprehensive website, themoreyouknow.com, includes in-depth resource and referral information on the campaign's important focus issues including HEALTH, fighting childhood obesity, encouraging nutrition and physical fitness; ENVIRONMENT, encouraging everyday actions that reduce environmental impact; EDUCATION, recruiting new teachers and promoting their long lasting impact; DIGITAL LITERACY AND INTERNET SAFETY, sharing online safety tips and information; and DIVERSITY, embracing differences and promoting inclusion, tolerance and respect. Also featured on the site is The More You Know Learning series Growing Up Online, a free eBook on digital literacy and Internet safety. Growing Up Online is an important tool to initiate conversation with children about online safety. The eBook is a media-rich, two-part learning resource that provides easy-to-use information about navigating the digital world in a unique and engaging way. Part one includes safety tips, discussion questions and key takeaways for parents and teachers. Part two features four entertaining video comic books for children, focused on real situations that come up when kids go online. Additional content on the site includes public service announcements, behind-the-scenes videos, a general overview, a talent directory, and a list of the campaigns accolade's, including the prestigious Emmy and Peabody awards. On July 14, 2018, core program Wilderness Vet was joined in progress eight minutes into the show due to an overrun of NBC's coverage of the Tour de France. Because the show aired substantially in its entirety, a preemption report for that episode is not included in the Digital Core Programming Summary section of this report. On September 1, 2018, core programs Naturally, Danny Seo, Health & Happiness with Mayo Clinic, and The Champion Within were preempted from their regularly scheduled times at 11:30 am, 12:00 pm, and 12:30 pm, respectively, to air breaking news coverage of the Memorial Service for Senator John McCain the station was unable to reschedule the episodes due to the late-breaking nature of Senator McCain's passing and the scheduling of the service. In addition, also on September 1, 2018, core programs The Voyager with Josh Garcia, Wilderness Vet, and Journey with Dylan Dreyer were preempted from their regularly scheduled times at 10:00 am, 10:30 am, and 11:00 am, respectively, to air breaking news coverage of the McCain Memorial Service. The station, however, was able to reschedule these episodes to a second home as reflected in the Digital Core Programming section of this report. On September 15, 2018, core programs The Champion Within, The Voyager with Josh Garcia, Wilderness Vet, and Journey with Dylan Dreyer were preempted from their regularly scheduled times at 9:30 am, 10:00 am, 10:30 am, and 11:00 am, respectively, to provide breaking news and weather coverage of Hurricane Florence, which hit the coast of North Carolina, causing extensive damage. Finally, one or more episodes of children's programming that was preempted during the quarter was not rescheduled. The Digital Core Programming Summary section of this report would not permit the station to include preemption reports for such unrescheduled preemptions, and FCC Staff has advised that no preemption report for such unrescheduled episodes is necessary.</p> |
